

## MASSACHUSETTS INCENTIVES

# MOR-EV program brings electric trucks within reach

### There's never been a better time!

The Massachusetts MOR-EV program is making it more cost effective for fleets to adopt zero-emission vehicles by offering rebates on the purchase or lease of electric trucks. The program is open to private businesses, universities, nonprofits, and municipalities.

**Base voucher rebates are \$30,000 to \$60,000 per vehicle (see reverse). No scrappage is required.**

The TCO of electric Class 4-6 trucks in 2024 is now estimated to be equal to that of ICE vehicles. **Utilizing rebates can further decrease the expense of integrating an electric truck into your fleet.**

All Workhorse Class 4-6 cab chassis and last-mile delivery step vans are eligible. Workhorse can guide you through the process, ensuring a hassle-free path to quieter, comfortable, low-maintenance electric commercial vehicles.

**Funding is available on a first-come, first-served basis. Contact us for a custom TCO analysis and to learn more about this program.**

## Federal & State of Massachusetts Incentives (as of Feb. 18,

### 45W Tax Credit

Workhorse vehicles qualify for up to \$40,000 for each electric vehicle placed in service, including businesses, nonprofits, and government entities.

Publication 5724-B (Rev. 2-2023) (irs.gov). Please consult your tax advisor.

### Massachusetts MOR-EV Rebate Program

Provides rebates to fleets across Massachusetts that purchase or lease medium- and heavy-duty zero-emission battery electric vehicles. Get started today with a new, clean, zero-emission vehicle from Workhorse.

- First-come, first-served
- No scrappage required
- Eligible entities: Public, private, and nonprofit fleets

Vehicle Class	Max \$ Per EV	EJB** Bonus	Max \$ per EV w/ EJB Bonus
Class 4	\$30,000	\$3,000	\$33,000
Class 5	\$45,000	\$4,500	\$49,500
Class 6	\$60,000	\$6,000	\$66,000

\* While Workhorse trucks work hard and go a long way, driver habits, inclement weather, and other factors can limit range. Your results may vary.

\*\* Speak to sales to determine if your business qualifies for the Environmental Justice Income Criteria (EJB) bonus.
